Subject: Position available @ People Magazine, GWN Alums
To: <info@girlswrittenow.org>

Hi there!

I'm a GWN alumni. I recently got a new job, and was hoping to help my boss find a replacement for me. My previous position was part time, 20 hrs a week, as an editorial assistant for PeopleMagazine's special editions. The job consists of mostly fact-checking, as well as adapting magazine content for digital, so there is writing involved.

I was hoping to maybe have GWN send out an email blast to any alums in the journalism field who might be looking for work like this, or help me connect with any mentors in the journalism field who might know someone.

Please let me know and I can provide more info.

Thanks!

Best,
Christina
